

Inspect the presentation and remove all personal information.

Identity thieves

- **Steal** information from garbage cans and dumpsters or steal purses, wallets, personal files
- **Run scams**, creating fraudulent businesses or posing as reputable businesses
- **Phish** using the internet, sending messages asking for information
- **Skim** using card readers to read your card when used for a legitimate purpose

Identity thieves

- Use your personal and financial information
 - Sell it to others
 - Obtain credit in your name
 - Commit crimes using your identity

Citizen Awareness

- Always ask before sharing your Social Security Number
 - Is it absolutely necessary that you gather my SSN?
 - Is there any alternative to providing my SSN?
 - Always trust your instincts
- An employee, even at a reputable business, may or may not keep your SSN private
- Never carry your Social Security card in your wallet

Citizen Awareness

- Shred all personal information before disposing
- Send mail from Post Office or secure mail box
- Watch as store clerks scan your card; report any suspicions
- On the internet, shop only reputable, secure sites and monitor your credit closely
- Set secure passwords
 - Combination of letters, numbers and upper and lower case

Citizen Awareness

- Do not respond to emails asking for information; instead call your bank or credit card company's main number and ask if they need the information
- If a company calls asking for your information, hang up and call the company's main number, verify that they need the information
