CAMPING Save the template as a Word document

Aspen Lake Recreation find breathtaking views and sunsets as you make camp along beautiful Aspen Lake. Enjoy the sounds of water rippling through Aspen Lake. Watch animals in their natural surroundings.

Stay as long as you like! Our campgrounds are open all year! All single family campsites are first-come, first-serve.

With more than 40 campsites, any size tent or RV can be accommodated. Currently, there are 30 campsites with full electrical, water and sewer hookups. There are an additional 10 campsites with electrical and water hookups only.

Each campsite contains a picnic table and BBQ pit. Showers, restrooms, and water are located throughout the area. An RV dump station is also available.

The views of Aspen Lake are spectacular. We especially enjoyed hiking to the top of the hillside just before sunset.
