## Grand Opening

On April 30, 2010, the Lake Towers Hotel on the shores of Lake Ontario just steps from the heart of Toronto's business district opens its doors to a new era in hospitality. No detail has been overlooked in the construction of what is being touted as the most luxurious hotel in Canada. The hotel is owned by a consortium of businesspeople that includes Daniel Drake, the flamboyant entrepreneur and mayoral candidate who has long been a fixture in Toronto local politics.

"We're very excited about the opening," states Grace McDermott, the General Manager of the Lake Towers Hotel. "Several local celebrities will be on hand, including Martin Weston, star of the *The Hill*, the new hit series about politics and power on Parliament Hill. Lake City Foods, Toronto's hippest new catering company, will supply a scrumptious buffet dinner for the 300 invited guests."

Guests at the Lake Towers Hotel will pay a premium for luxury. Here are the rates for each of the room categories:

Room Category	Price
Deluxe	\$550
Standard	\$375
Suite	\$950
Ultra Deluxe	\$600
