

In the student's electronic file, check for the following items:

1. Move 1 slide, delete 1 slide
2. Slide 2: Type text in Notes pane
2. Check spelling, use Thesaurus
3. Apply transitions to all slides

Aspen Falls Planning Department

COMMUNITY PARK PROPOSAL

Format title font, font size, small caps
Also, insert "Falls"

Center title, change line spacing
Also, replace "north" with "south"

Current Community Park

- Inconvenient location at south city boundary
- Aging soccer and baseball fields
- Lack of snack bar facility
- Small scale insufficient for growing city needs
 - Inadequate parking facilities

Change list level of 2 bullet points

What are the advantages of building a new community park in a different location?

Apply picture style

Location

The south bank of the Aspen River is proposed based on its central location and easy entry from all parts of the city.

Insert picture, change line spacing
Also, replace "north" with "south"

Section header layout, type/format text

Develop or Remodel

What will we do with the land at the current park location?

Develop or Remodel

- The city owns the land and can develop it
- The city is in need of new retail space
- Municipal offices are currently in bungalows
- Remodeling the park will increase the number of recreational facilities
- Less expensive to remodel than develop
